	1.30pm	Computer Science 1h 30m				

- All students must attend registration every morning at 8.30am in their usual form rooms. They will then be sent to the netball court to line up for the first exam of the day. Coats and bags must be left in the reception room
- For subsequent exams, students should assemble on the netball courts at least ten minutes before the published start time.
- Students must remain in school until the end of their last exam of the day. Where they have an exam in the first and third sessions, they will be allowed to complete revision, under staff supervision, in the second session.
- The majority exams take place in the Sports Hall. Those who have exam concessions may be required to go to room W7 or the Library to complete their exams. The SEN department will be able to confirm these details.
- Exams will be conducted under the normal 'public exams' regulations, details of which are available on the school website, in the Parents/Exams section.
